HIRE EXPRESS

Hire Express is brought to you by Telford Group Ltd. Telford Group has the most comprehensive stock of welding and workshop equipment for sale and hire in Shropshire & Mid Wales combined with the region's largest industrial gases distribution site offering the first choice for equipment supply and service.

Telford Group represent major equipment brands as their UK distributor providing the direct link from the manufacturers to the end user delivering a single supply line for machines, service, spares and consumables from stock at the best prices.

Our family owned business has over 30 years experience in welding and engineering operating from their own 1.5 acre site on Telford's Stafford Park Industrial Estate. Our custom built premises include a 5000 sq ft showroom and demonstration facility, extensive service and repair workshops, large warehouse plus our own welder training school.

Our one stop shop offers you the total supply solution for industrial equipment supplies, service and consumables.

Equipment, hire and leasing

Specialists for welding, sawing, engineering and maintenance equipment. A large fleet of equipment is available for short and long term hire, with delivery anywhere within the United Kingdom.

Within this catalogue you will find:

-  **3-6** Welding machines
-  **7** Welding positioners
-  **8** Fume extraction
-  **9** Construction and powertools
-  **10** Generators and compressors
-  **11** Transformers and leads
-  **12** Metal sawing machines
-  **13** Heating and cooling
-  **14** Garden equipment
-  **15** Miscellaneous

MIG WELDING MACHINES & EXTRAS	Max thicknesses	DAY	W'END	WEEK
110 volt 140amp MIG welder package : Package includes 3m MB25 style torch earth lead	5mm	35.00	52.50	70.00
240 volt 150amp MIG welder complete package - DIY Inc Mini reel of wire, consumables and welding gas	6mm	40.00	60.00	80.00
240 volt 180amp MIG welder package : Package includes 3m MB25 Style tool & 3m earth lead	8mm	32.50	48.75	65.00
240 volt 250amp MIG welder package : Package includes 3m MB25 Style tool & 3m earth lead	10mm	37.50	56.25	75.00
Spool gun for aluminium to suit any machine		10.00	15.00	20.00
415 volt 350amp MIG welder package : Package includes 4m MB36 Style MIG tool & 3m earth lead. Separate wire feed and 4/5m link	14mm	40.00	60.00	80.00
415 volt 400amp MIG welder package : Package includes 4m MB36 Style MIG tool & 3m earth lead. Separate wire feed and 4/5m link	15mm	40.00	60.00	80.00
415 volt 500amp MIG welder package : Package includes 4m watercooled MB501 style MIG torch & 3m earth lead	25mm	50.00	75.00	100.00
415 volt 350amp synergic MIG welding package : Package includes 4m watercooled MB501 style MIG torch & 3m earth lead	14mm	50.00	75.00	100.00
415 volt 220amp twin torch MIG welding package : Package includes 3m MB25 Style tool & 3m earth lead	8mm	75.00	112.50	150.00
Argon/Co ₂ regulator	N/A	2.50	3.75	5.00
Flowmeter for argon regulator	N/A	1.50	2.25	3.00
Welding helmet - standard	N/A	1.50	2.25	3.00
Welding helmet - auto darkening	N/A	4.75	7.12	9.50
Gas cylinder	N/A	2.50	3.75	5.00

Gas cylinder fills charged at current supplier rates dependent on size being hired.

WELDING MACHINES CONTINUED

TIG WELDING MACHINES	Max thicknesses	DAY	W'END	WEEK
110/240 volt 150amp DC TIG welder : Package includes 4m WP17 style TIG torch & 3m earth lead	5mm	30.00	45.00	60.00
240 volt 160amp AC/DC TIG welder : Package includes 4m WP17 style TIG torch & 3m earth lead	6mm	37.50	56.25	75.00
240 volt 200amp AC/DC TIG welder : Package includes 4m WP26 style TIG torch & 3m earth lead	8mm	45.00	67.50	90.00
415 volt 250amp AC/DC welder package : Package includes WP18 watercooled TIG torch & earth lead	10mm	57.50	86.25	115.00
415 volt 350amp AC/DC welder package : Package includes WP18 watercooled TIG torch & earth lead	14mm	67.50	101.25	135.00
Dual voltage 110v/240v TIG DC package : Package includes 4m WP17 style TIG torch & 3m earth lead	6-8mm	45.00	67.50	90.00
Foot pedal for AC/DC machine	N/A	7.50	11.25	15.00

WELDING MACHINE EXTRAS	DAY	W'END	WEEK
Argon/Co ₂ regulator	2.50	3.75	5.00
Flowmeter for argon regulator	1.50	2.25	3.00
Welding helmet - standard	1.50	2.25	3.00
Welding helmet - auto darkening	4.75	7.12	9.50
Gas cylinder	2.50	3.75	5.00
Gas cylinder fills charged at current supplier rates dependent on size being hired.			
8m TIG torch - extra charge	10.00	15.00	20.00

Please Note:

All consumable parts fitted to MIG and TIG welding torches are chargeable upon off hire. Additional parts can be purchased as required. Gas & Consumables wires/rods are also available for sale.

ARC WELDING MACHINES	Max thicknesses	DAY	W'END	WEEK
110 volt 140amp dual voltage arc welder	5.5mm	22.50	33.50	45.00
240 volt 160amp generator safe arc welder	6.5mm	20.00	30.00	40.00
415 volt 250amp arc welder	6.5mm	30.00	45.00	60.00
415 volt 350amp arc welder	10mm	39.00	58.50	78.00
Petrol powered 200amp arc welder/generator	8mm	40.00	60.00	80.00
MIG wire feed unit for welder generators & DC Arc welding power sources upto 350amps, supplied with torch	N/A	42.50	63.75	85.00
Gas regulators to suit above	N/A	2.50	3.75	5.00
3 meter welding leads, earth & electrode holder	N/A	2.75	4.10	5.50
10 meter welding leads, earth & electrode holder	N/A	4.50	6.75	9.00
10 meter welding leads extensions to suit above	N/A	4.50	6.75	9.00
Diesel powered 300amp ARC welder/generator Trailer mounted - 20kva	N/A	50.00	75.00	100.00

WELDING MACHINES CONTINUED

SPOT WELDERS	Max thicknesses	DAY	W'END	WEEK
240 Volt portable spot welder - electrodes extra	2 + 2	27.50	41.25	55.00
415 volt - column spot welder - 250 Kva	5 + 5	82.50	123.75	165.00
110/240 volt water cooler to suit above	N/A	25.00	37.50	50.00
415v automotive spot welder trolley mounted, digital control, AV operated, electrodes extra	3 + 3	60.00	90.00	120.00
	1.5 + 1.5	40.00	60.00	80.00

PLASMA CUTTERS	Max thicknesses	DAY	W'END	WEEK
110 volt plasma cutter	6mm	27.50	41.25	55.00
240 volt plasma cutter	10mm	30.00	45.00	60.00
240 volt plasma cutter with air supply	10mm	40.00	60.00	80.00
415 volt plasma cutter	25mm	50.00	75.00	100.00
415 volt plasma cutter	40mm	60.00	90.00	120.00

WELDING POSITIONERS	DAY	W'END	WEEK
240 Volt 100kg rotary bench top welding positioner	--	--	75.00
240 Volt 150kg rotary pedestal welding positioner	--	--	165.00
240 volt 1200kg pipe roller positioner	--	--	145.00
415 volt 3000kg pipe roller positioner	--	--	185.00

WELD CLEANER	DAY	W'END	WEEK
240 volt stainless steel weld cleaning machine	27.50	41.25	55.00
Cleaning pads and chemical are chargeable	--	--	--

Please Note:

All plasma cutter torch consumables will be chargeable upon off hire. Additional consumables parts can be purchased upon hiring.

Pair of jump leads	5.00	7.50	10.00

Please Note:

Customers must have their own insurance. Punctures or any damage to tyres are the customer's responsibility and cost. Straps can be hired at an additional charge.

Terms and Conditions

Hours of Business

Monday to Friday: 8.00am to 5.00pm

Saturday: 8.30am - 12.00pm Except Public Bank Holidays

Delivery/ Carriage

We operate a delivery and collection service for local and national orders. Please contact our sales office for the full rates. A delivery/collection service to and from site of your place of work can be arranged subject to an additional charge. Please telephone for details.

Insurance

Whilst equipment is on hire, it is of course, your responsibility to keep the equipment safe and make good any losses should it be stolen or suffer major damage. We reserve the right to change items or the price in the brochure, at any time we need to without notice. If equipment is returned in a dirty condition an extra charge will be applied.

General information conditions

We are members of the Hire Trade Alliance, and all equipment hired is subject to general conditions for the hiring of plant.

Deposits and Payment

Unless pre-arranged credit facility has been arranged (please ask for our credit account form), a deposit will always be required before items of equipment are available for hire. Two positive proofs of identification are always required before any hire transaction commences. The amount of deposit varies according to the value of the equipment being hired. We accept Cash, Visa, Mastercard card and Debit card, equipment may be reserved in advance. A surcharge will be applied to all credit card transactions of 2%

Hire rates and charges

Equipment hire rates are set out within this brochure. Consumable items will be quoted on request and are usually supplied on sale or return basis. Charges in excess of the first week's hire will be charged at 1/7 of the weekly rate for each additional day of hire including the day equipment is off hired. If equipment is returned dirty an extra charge of cleaning will be made. Quotations for long term hire are available on request.

Safety

Every item is checked, cleaned and serviced before the commencement of hire. We recommend that items of mechanical equipment are run in your presence before accepting the equipment. We strongly recommend that the appropriate protective and safety equipment/clothing is used and these items are available for sale from us.

Additional notes

All illustrations of equipment shown in this brochure are for guidance only. We are continually updating equipment and cannot guarantee to supply the exact model shown as all items are subject to availability. All prices shown in this trade brochure are exclusive of V.A.T. Our V.A.T number is 771 3918 13. All prices are correct at the time of going to press. The company reserves the right to change details, prices and product specification as shown in this brochure without prior notice. All prices are Plus V.A.T at 20%. Please contact our sales office for delivery charges.

Training

Training and Testing

- Annual CP7 Industrial Gas and Equipment Inspections
- Full Welder Training for MIG, TIG and Arc Welding Processes
- Full Welder Training and Qualification Approval BSEN287 and ASMEIC Welder Qualifications with 3rd Party Invigilation
- Testing and Servicing of Welding Fume Extraction and Local Exhaust Ventilation (LEV) Systems
- Health and Safety Training for Welding and Cutting Equipment
- Use of Oxy Fuel Gas Equipment Instruction

Weld Procedure and Welder Qualification Training is also available

Coding/Qualifications and Weld Procedures to:

- BS EN 287-1:2004 Welder Approval
- BS EN ISO 9606
- ASME IX
- BS 4872
- BS1140 Spot Welding
- BS EN ISO 15614 [to include full range of weld procedure approvals]
- Weld Procedure Specification written
- BS ISO 24394:2008 Aerospace Standard
